Practical – VII

Roll No.: T044	Name: SACHIN SINGH
Class: TY.IT	Batch: 1
Date of Assignment: 07/08/2026	Date/Time of Submission:07/08/2026

Select a template to get started

You can always change this later. Selecting a template won't limit what you can do.

Project management

Kanban

Manage and track agile work plus integrate developer tools like GitHub

Project management

Designed to help business teams manage work with list and calendar views

Scrum

Plan, prioritize, and schedule sprints using scrum framework

Continue

Continue where you left off: Chrome can restore your tabs every time you restart. To turn this on, go to [Settings](#).

Jira

Name your space

This is where you'll help your team track progress, stay organized, and manage tasks.

Name your space

Example space names:

[My Project Management Team](#) [Team Lyra](#)

[Milestone Hub](#) [Initiative Planning](#)

[Cross-Team Projects](#)

Practical 1B - Create a Company-managed Scrum/Kanban Project.

This screenshot shows the Jira Default dashboard. The left sidebar contains navigation options: For you, Recent, Starred, Apps, Explore more apps, Plans, Spaces, Filters, Dashboards, Recent, Default dashboard (selected), View all dashboards, Teams, Goals, Projects, and Customize sidebar. The main content area is titled "Default dashboard" and includes an "Introduction" section with a "Welcome to Jira" message, an "Assigned to Me" section stating "You currently have no issues assigned to you. Enjoy your day!", and an "Activity Streams" section titled "Your Company JIRA" showing recent activity by Sachin Singh, including changing the status of an issue and creating a new one. The "Projects" section lists two projects: "(Example) Timeline Tracking Initiatives (SAM1)" and "My Project Management Team (KAN)".

This screenshot shows the Jira Space templates page. The left sidebar is titled "Space templates" and includes options: Made for you (selected), Custom templates (Enterprise), Import data, and CATEGORIES (Software development, Service management, Work management, Product management, Marketing, Customer service, Human resources). The main content area is titled "Space templates" and "Made for you", with a subtitle "Templates for you based on how similar teams work." It displays two template cards: "Kanban" (Last created) and "Basic IT service managem..." (Try). The Kanban card describes working efficiently and visualizing work on a board. The Basic IT service management card describes quickly responding to requests, resolving incidents, and deploying changes, mentioning "Jira Service Management".
